

Book review in March 2006 issue of

Spaceflight

The Magazine of Astronautics and Outer Space

Published by the British Interplanetary Society

Space Tourism

John Spencer with
Karen L. Rugg,
Apogee Books,
218 pp, 2004,
£15.95, ISBN 1-894959-08-6

Space Tourism is the topic of the moment. This book looks at the current projects within the context of what was once science fiction and has now become science fact.

The book continues to look ahead at potential designs for space ports, resorts and the potential of a market for such ventures. This subject will only gain momentum and this book is a very interesting way to introduce yourself to the subject.

Rex Hall

“Space Tourism is
the topic of the
moment.”

“...and this book is
a very interesting
way to introduce
yourself to the
subject.”
